TRAVEL TO BRUSSELS

Taxi
Waiting lines for public taxis at mainline stations and Brussels Airport are mostly efficient and fast-moving. A wait should not last longer than 10 minutes. It is also possible to order a taxi in advance for both airport and stations. When booking, refer the point where you want to be picked up (e.g. at International Arrivals) as well as your destination. For those coming by plane and pre-booking, ask for the “tariff fixe” – this ensures a fixed rate.
The two main companies in Brussels are:
- Taxi Bleu: +32 (02) 268 00 00
- Taxi Vert: +32 (02) 349 49 49

Indicative rates for taxis to the venue are:
- From Brussels International Airport – approx. € 45,00
- From Charleroi Airport – approx. € 100,00
- From Midi and Central Train Stations – approx. € 12,00

The venue is roughly equidistant from the main train stations: Gare Centrale and Gare du Midi. A taxi from either will take about 5-15 minutes.

Train – Brussels International Airport only
Trains leave on average every 15 minutes from Brussels Airport towards the city centre. Tickets cost around € 9,00 and journey time is about 30-45 minutes.
