Youth leading
The global agenda
AIESEC is a global youth-led organization striving to achieve peace and fulfillment of humankind’s potential by activating leadership qualities in youth through learning from practical experiences in challenging environments. Together with partner organizations, AIESEC facilitates a network of cross-cultural exchanges in the form of volunteering experiences and professional internships.

Youth 4 Global Goals (#Youth4GG) is an AIESEC initiative through which we aim to mobilize youth towards the implementation of the Sustainable Development Goals. We believe that the global youth is an integral part of the equation to achieve the SDGs.
Youth4GG is divided into three phases:

**Awareness**
Youth are aware of the 17 SDGs by spreading awareness and the importance of collaboration for the Goals through global campaigns.

**Understanding**
Youth understand at least one target of the SDGs and know how to take action to contribute towards it. We arrange YouthSpeak Forums globally to discuss the global issues.

**Action**
Youth volunteer to be a part of our projects aligned with the SDGs. These projects empower individuals and communities to work towards the implementation of SDGs.
